February 16, 2011

---

An act to amend Section 14230 of the Unemployment Insurance Code, relating to employment.

LEGISLATIVE COUNSEL'S DIGEST

AB 554, as introduced, Atkins. Employment: workforce services.

The federal Workforce Investment Act of 1998 provides for workforce investment activities, including activities in which states may participate. Existing law contains various programs for job training and employment investment, including work incentive programs, as specified.

This bill would require the California Workforce Investment Board and each local board to ensure that programs and services funded by the Workforce Investment Act of 1998 and directed to apprenticeable occupations, including preapprenticeship training, are conducted in coordination with one or more apprenticeship programs approved by the Division of Apprenticeship Standards for the occupation and geographic area. The bill would also require the California Workforce Investment Board and each local board to develop a policy of fostering collaboration between community colleges and approved apprenticeship programs in the geographic area to provide preapprenticeship training, apprenticeship training, and continuing education in apprenticeable occupations through the approved apprenticeship programs.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
